SENIOR BOYS PROVINCIAL "A" BASKETBALL

Congratulations to the Senior Boys Basketball Team who finished **11th** at the B.C. Single "A" Boys Basketball Championships. Last year they finished 15th. The twelve members of the basketball team bused to Castlegar to play at Selkirk College. On March 7th the boys played 6th ranked Bulkley Valley Christian in the first round and lost a hard fought game 71-54. On March 8th they beat 12th ranked Northside Christian Academy 57-56, with Mike Gall sinking the winning basket with 3 seconds left. On March 9th they lost a tough game to Barrier (ranked 9th) 58-48. Finally, on Saturday they beat Whistler Secondary 79-71.

Great teamwork, non-stop defense and inspiring shots resulted in the team finishing an impressive 11th in the province. This is pretty amazing considering this is the second year for the senior programme. Team members included Christian Anthony 11ST, Will Chu 12YML, Eduardo De Lima 10CI, Mike Gall 12KO, Stephen Huang 10NM, Wade Kencayd 12KO, Carter Kinsella 11DB, Andrew Kirkpatrick 12KO, Ben Neumer 11ST, Cameron Sinclair 12YML, Tel Weibel 12YML and Mike Wu 11ST. Statistics and medic aid were kept by Alden Knight 12KO. Statistics and medic aid was provided by Amitis Panahi 12YL, Suneeta Hundel 12KO and Alden Knight 12YML.

Congratulations to the entire team on all their hard work and dedication! Many thanks to the fantastic coaches, Mr. Steve McGilligan and Mr. Douglas Halladay (Deputy Head), especially for their 6:30 am practices, patience and their drive to win. Thank you to Mr. Conor McMullan for being the 'bus driver of the week' to and from Castlegar. Thank you also to the students, staff and parents who supported the team and came out to the games!

"YEAH WOLVES!!!"

"How about waking up at 5 am in the morning?"

asked Mrs. Elliott to her class. It was cold and frigid on the morning of February 13th in the lower parking lot at WPGA. Everyone was shivering, until the buses arrived, high-tech buses with velvet seats, heaters, extra-comfy armrests and televisions - that conveniently did not work! Heading to Tsawwassen, mischief took over until some students had enough of talking and fell asleep. After waiting for 1,000,000 years at the ferry terminal, we finally heard the big blasts of the ferry horn. We got settled onto the ferry just as the sun was rising. We then had the breakfast buffet. I had strawberry and whipped cream waffles, sausages and bacon...yum! Mr. Dalrymple had a lot more than me! We got off the ferry and headed straight to the British Columbia Museum that had many exhibits including one of a circus, underwater adventure and the Arctic. We then headed to the Legislative buildings for a tour. I enjoyed seeing the mace. By this time, we were all ready for our lunch at Milestones and then I was delighted to hear we had some spare time for shopping. The parent volunteers couldn't believe how excited we were about that. Our group viewed "Cirque du Soliel" at the National Geographic Imax theatre. Back to do more shopping again, until we returned for the buses at 3.30 pm. We were early for the ferry so we played some games - Mrs. Elliott does like to keep us under control! All the Grade 5's arrived back at WPGA at 7.30 pm. We would like to thank Mrs. Elliott, Mrs. Gunasekera, Mr. Dalrymple and all the parent volunteers for this trip. It was great!

A LITTLE HEART GOES A LONG WAY!

Early in the morning of February 14th, Tupperwares, trays and Ziplocs brimming with baked goodies began arriving at the offices of the Junior and Senior School. Parents and students from PreSchool to Grade 12 contributed all sorts of Valentine treats for the "Have a Heart Bake Sale", which raised close to \$1,000. All funds raised from the sale, along with donations made by families within the school, have been sent to pay for the final university term tuition of our Dominican friend, Joel Gonzalez.

Last Spring, a group of Senior students and teachers worked on a building project at an orphanage in the Dominican Republic. Joel, a brilliant and outgoing teenager, served as translator on our work mission, working closely with us, and winning our hearts and respect of our entire team of volunteers. Following our return home, a letter signed on behalf of the student volunteers stated their desire to sponsor Joel's first year at University in Santo Domingo, where his application had been accepted but not processed, due to his family's inability to pay for tuition.

And so, last September Joel began University, an opportunity allowed him through the initiative of our students and teachers and with the support from small fundraisers, parent donations and vending machine revenues. Letters received from Joel over the year express his tremendous enthusiasm for his studies and his deep gratitude to us for sponsoring his education, a privilege that we so often take for granted.

Many, many thanks go out to the following people for helping organize and run this fundraiser: Mrs. Rosalind Tobias, Mrs. Annabelle Joyce, Mrs. Donna Tangye, the helpers in Grade 7, all the busy bakers in our school and of course, the amazing Grade 12 work mission volunteers. **Ms. K. Skarsgard**

DRESS RED DAY

On February 14th, the entire school participated in "Dress Red Day". Each student was permitted to abandon uniform in favour of dressing in red or pink...as long as they brought in a donation for the Heart & Stroke Foundation. Congratulations everyone! We raised just over a thousand dollars in total! Talk about school spirit! Thank you to all students and parents who supported this worthy cause.

Ms. L. Mansfield

Talent Show and Bake Sale

This year, one of WPGA's highlights was the Talent Show on February 23rd. The theme for the Talent Show was, "I am Canadian". There were many talents presented in the show including sports, "Canadian Records" and jokes. We also had a Bake Sale which was a huge success. Special thanks to Mrs. Williams, Mrs. Wu, Mrs. Greer and Mrs. Rosenberg for helping us! It was a great day with lots of laughs, fun and "School Spirit".

Peter Hunt 6JP

I thought that the Talent Show and Bake Sale was a huge success and that we should do it every year. The Bake Sale had many unique foods and people always like yummy things to eat. The Talent Show was a smashing hit and most everybody enjoyed it. I think there were a lot of talents that people never knew about in their peers. **Jocelyn Greer 6GS**

Grade 12 Grad Auction

On February 23rd, 27 enthusiastic Grade 12 students were auctioned off by Auctioneer Trudeau to Senior School staff and students. There were plenty of crazy ideas and activities for the auctioned students to do, including the wearing of tiaras, wigs and kilts, making special breakfasts and cookies, nail painting, book carrying and more. A great time was had by all!

To all of the staff and students who supported this great fundraising day, THANK YOU from all of the Grade 12's and organizers, Cameron Sinclair 12YML, Mike Gall 12KO and Pearl Ching 12YML.

JAPAN CLUB

The Japan Club would like to thank all those who participated and enjoyed our first-of-many SUSHI DAYS. Some people were obvious connoisseurs of sushi, others were first timers, but everyone had a great time. Check the homework site bulletin board for our next meeting.

BUT the Japan Club is not just for sushi. We have made some other wonderful dishes such as miso soup, yakisoba and sunomono. Also, we have made origami pieces and intend to explore more aspects of Japanese culture next term. You don't need to speak any Japanese and new members are always welcome. Please see Ms. Yasui for details.

Ma ta ai ma shō! (Let's meet again!)

WPGA GALA 2001
Presents

Arabian Nights

What An Arabian Night!

The evening started at six
with guests entering through a beautiful cascading red tent.
Clive and Madeleine Austin and PVG Chair, Wendy Valdes greeted guests.
To help set the theme, the Fairmont Waterfront Hotel served
"Desert Breeze" drinks, certainly encouraging the fun atmosphere.
With over 350 auction items displayed in the foyer,
people were eager to start the bidding.

As the ballroom doors opened two belly dancers emerged,
dancing around the marketplace auction and
escorting people into the lavishly decorated ballroom -
rich fabrics, glittering trinkets on the tables.

The Master of Ceremonies, Pam Richardson, greeted all the guests and
introduced the video presentation prepared by Roger Husband, Greg Krantz,
and Jeff Murton, with photos by Anne Carson and Daryl Cline.

An excellent start to the evening's events!

As the exotic meal was being served, the Live Auction began with items
ranging from the ever-popular parking spots to fabulous vacations.

And of course, there was always time to go back out to the foyer,
mingle with friends and check on silent bids before the first closing!

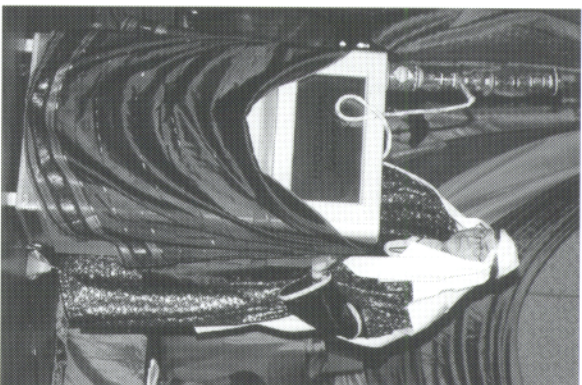

Later on, the music started and as usual, our parents and teachers rose
to the occasion by filling the dance floor. The evenings events wound down
at about 1:00 am, with the clean up crew staying till 2:30 am.

Overall it was another outstanding evening -
with new and old friends, teachers and staff all getting together
to celebrate the wonderful school community that we have formed.

A very special thank you to everyone who donated, sponsored and
bid so enthusiastically at the Arabian Nights Gala 2001.

This year's Gala raised approximately \$160,000!!!

The funds will benefit the school life of students in all grades.

Thank you to all our wonderful Volunteers, Donors & Sponsors

A Visit From Colin Hansen

Colin Hansen visited our school on Monday, February 12th, the day before we went to Victoria to visit the Legislative Buildings. Colin Hansen is the MLA for Vancouver Quilchena, representing the BC Liberal Party. Most of the questions we asked him were about the Mace. We learned that in the beginning, the Mace had not arrived from England so a local plumber was asked to make a mace out of metal pipes. After a few years, a gold plated mace arrived from England. We also learned that once the Prime Minister chooses a speaker, it is tradition that the speaker struggles as he is pulled over to the throne. This is because in the past, many speakers were killed. He also told us a freaky story about a speaker who died before a portrait could be made of him. His dead body had to be propped up in a chair for his portrait to be made. This portrait can be seen in the BC Legislative Buildings in Victoria. Mr. Hansen told us that many years ago the Cabinet and the shadow Cabinet sat two sword lengths apart so that people could not kill each other if there was a dispute. This would no longer happen today of course, but the traditions live on in the Legislative Building. We enjoyed our visit from Mr. Hansen and certainly learned a lot!

Staff House Basketball Game

The atmosphere was electric, house colours were ablaze, the music was rocking, students were excited and staff were....ready for action!

On February 16th, every student and member of staff met in the WPGA gym for a staff, house basketball tournament. After a rousing version of 'Oh Canada' from Julianne Leung 3MO, the students cheered with delight as the first competition began - Hemlock versus Cypress and Grouse versus Seymour. Wow! the staff were athletic, not to mention the swift moving, clown referee! First round result ...Hemlock versus Grouse. Thanks for your efforts, Cypress and Seymour. The ball flew from left to right, the whistle blew for....no, couldn't have been,fouls? The staff became hotter, the students became wilder, the tension became.....unbearable! Final round result....Hemlock were the champions! Congratulations! The final house points were awarded: for the final game result, wearing of the house t-shirts, support and participation - Grouse 300, Hemlock 200, Cypress 175 and Seymour 150. Thank you Ms. Vaccaro for all your hard work organizing all of this, thank you to all the staff for your support and thank you Mr. Lee, for just being you!

Student Council Update

Our Student Council organized a very successful Valentine's Day Candy Sale. Many thanks to our clever and persuasive sales representatives, Meredith Combs 9AB and Tara Esdaile 9AB, who managed to sell many treats during a parent coffee morning. Thanks also to our enthusiastic delivery team who serenaded the recipients of these treats with delightful love songs. Emily Tobias 8MM, Carrie Christenson 8LL, Ivan Huang 8SK, Amy Ho 9UL, Laetitia Lacusta 11ST, Tara Esdaile 9AB and Ali Taylor 9RS were among some of these talented singers. Again, a special thank you to Mandy Yip 11DB for organizing this event.

Student Council also treated the Senior School students to delicious banana splits on "Bring Your Own Banana Day" and sponsored "Dress Red Day" which raised \$1000 for the Heart and Stroke Foundation. In April, students can look forward to the highly anticipated school dance. Any parents who are willing to chaperone or who are able to donate door prizes for the dance should call Miss Matossian at the Senior School.
