The Pope is much depressed by the crime. At first his entourage intended to withhold the news, but Merry Del Valbroke it as gently as possible. The Pope, every year, is less able to withstand the shock, and such news makes a deep impression, as was shown by his melancholy to-day. He spent a long time at the altar praying for the repose of the Anstrian couple's souls.

DEATH OF GEO. STEWART.

Sudden Attack of Heart Trouble Carries Off Paris Mason.

(Special Despatch to The Globe.)

Paris, Ont., June 28.—Mr. George Stewart passed away somewhat suddenly yesterday from heart trouble. He had been away in Hamilton for his health, and only returned about a week ago. He was born at Peru. Hatton county, and as a child moved with his parents to Milton. There he learned the harness making, and when a young man moved to Leanington, where he started in the harness business. While there he was united in marriage to Miss Margaret A. Robinson, who with one daughter, Miss Edna, survives him.

About six years ago Mr. Steward came to Paris, and purchased the harness business from Akin Cowell. The funeral will take place from his late residence. Brondway, at 9,20 g.m., where the Masonic Order will take charge of the funeral. He was also Master Workman of Paris Lodge of A.O.U.W.

ST. CATHARINES, June 28. In the presence of Hydrobell, Horton, Manager Yates, Superintendent Christie, cral members of the City Council, city officials, and a large number of citizens, Hydro-electric power was officially turned on in St. Catharines by Mayor Petrle on Saturday night. The demonstration was made with ten one-hundred-watt tungsten lamps, on poles 100 feet apart, and suspended by arms twelve feet from the ground. The current was several times turned off, to show the contrast between the Hydro light and that used under the present system. In the demonstration, brackets of various standards were used, and the Council will be expected to make a choice for use over the entire new Hydro system eral members of the City
