### Lassen Peak Throws Steam a Mile High

(Canadian Press Despatch.)  
RED BLUFF, Ont., July 1.—After less than twenty-four hours of quiescence, Lassen Peak burst forth early to-day in a stupendous eruption—the fourteenth in the series that began May 30. No flames were seen but the vast plume of blackened steam from the crater waved a mile high in the sky and volcanic ash fell at three or four miles distant.

### TORONTO MAN KILLED AT HAMILTON TO-DAY

WM. JOELSON WAS ONE OF P. RTY IN AUTO STRUCK BY G.T.R. TRAIN THIS MORNING.

(Special Despatch to The Globe.)  
Hamilton, July 2.—William Joelson, Toronto, was instantly killed early this morning. The unfortunate man was one of a party in an automobile driven by A. M. Spivey of this city. When crossing the railway tracks at Ottawa street the auto was struck by the west-bound G. T. R. train. It was not learned how badly the other occupants were hurt.

### LEADERS IN LORDS GETTING TOGETHER

LONDON MORNING PAPERS SEE CAUSE FOR HOPE OF EARLY SETTLEMENT.

(Canadian Associated Cable.)  
London, July 2.—I doubt extremely whether the policy of exclusion on its merits has any real friends. This sentence, towards the close of Lord Lansdowne's speech in the House of Lords debate, is regarded by to-day's papers with significance. The Daily News, one of the principal Liberal organs says: "It encourages hope that something deserving of the title of settlement will be achieved."  
The Morning Post fully agrees with Lord Lansdowne about the futility of exclusion, but is still convinced that no amendments could ever make the bill acceptable to the Unionists, and declares that their first duty will be to strike it off the statute book.  
"Lord Lansdowne's speech was subsequently keenly discussed by the members of both Houses," says The Standard's lobby correspondent. "Although Lord Lansdowne's speech in the Government, gave little hope of peace, Lord Lansdowne's subsequent statement was markedly moderate, and conciliatory, and certainly, in the estimation of the majority, formed a notable contribution towards the pacific settlement. The Unionist leader in the Lords was careful even at this late hour to keep open the door of negotiations. It will come as a surprise to most, if the leaders do not confer one with another shortly after the committee stage of the amending bill is completed in the upper House."

### Babies of All Kinds

The baby show was keenly contested. Babies one to two years of age—Mrs. Beebe, Guelph, first; Mrs. McFarlane, Guelph, second. Babies one year old and under—Mrs. George Montclair, Elora, first; Mrs. H. H. H. Elora, second. There was a fine line-up of entries and the lusty youngsters interested hundreds. In the evening an excellent band concert and entertainment was given. Over two thousand people paid admission to the grounds in the afternoon and a large crowd again in the evening.

### Several Injured at Waterloo

Waterloo, July 1.—The annual Dominion Day bicycle and motorcycle races to-day were marred by several accidents, two or three of the riders and several spectators being injured. About 2,500 were present. There was some good racing, especially in the one and five-mile championships. The five-mile motorcycle race was called off.

### DIED BEFORE STATUE

Stricken in Presence of Image of St. Anne, Young Man Expires.

Quebec, July 1.—While he stood in prayer before the statue of St. Anne de Beaupre, death struck Horace Malby of Montreal yesterday. The young man had come to the shrine with the hope of recovering his health. His wife was with him.

### MANY VIOLENT DEATHS

Fifty-one Inquests at Montreal in Month of June.

(Canadian Press Despatch.)  
Montreal, July 1.—Fifty-one bodies of persons whose death took place under such circumstances as to necessitate an investigation by the coroner, were taken to the Morgue during the month of June, yet this list was smaller by thirteen cases than that of last May.
