Hi Giuli,

I just got a call from Mayor Ford, he said to me that a supplier wants to meet to see how he can bid on printing contracts. I offered to meet with the supplier directly, but he said that he wants to be there.
It sounds like its no big deal. I will go there at 1pm to meet with him and give you a summary of what transpires at the meeting.

Let's see what this issue is. If he is only expecting you, I don't want to upset the apple cart with my appearance
